EMBELLISHMENT OPTIONS

2 FRONT OF GARMENT

The front of the Gradwear is the first impression your students give the outside community. Their garment should empower them, give a sense of pride, leadership and friendship amongst peers and year level.

Garments can have a combination of: school logo or school initials with 'Class of 2020' underneath, or a full colour design. These can be applied via embroidery, one or two colour NHI printing, or full colour HD printing.

EMBROIDERY

Embroidery is a decorative stitching technique, through the use of colourful threads, perfect for a school logo. Embroidery can be ironed. Many colours available.

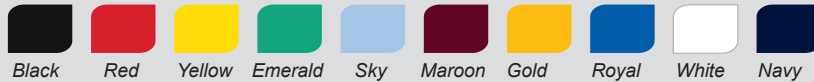

Note: Use of embroidery is only available on school logos (front of garment).

NHI PRINTING

Developed and pioneered by PSW. NHI prints are up to two colours. NHI prints can be ironed, and stand up to the rigours of daily use.

Available colours for NHI Printing

HD PRINTING

HD printing is a way of printing with full-colour. Just like an inkjet print it uses a four colour process (cyan, magenta, yellow & black) to reproduce all colours when mixed in proper proportion. HD printing allows for gradients as well, any digital design can be printed.

Note: HD print cannot be ironed.

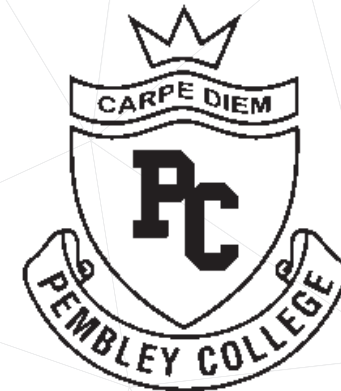

"DESIGN YOUR OWN"

These are just some of the design options that are available, but please feel free to submit your own custom designs for a more personalised touch.
