Unlimited colours. Incorporate as many logos and colour options as you wish. The beauty of a sublimated garment is that it is breathable with a lightweight fabric, and vibrant colours and designs that are limited only by the imagination.

- Unlimited vibrant colours and designs that are limited only by the imagination
- Relaxed fit for ease of movement
- Self fabric collar means the garment is all one fabric and it's soft and comfortable
- Herringbone tape on inside neck for comfort and added durability
- Breathable, Lightweight Fabric with Moisture wicking properties that draw moisture away from the wearer to keep them cool
- Zero water waste, no harmful inks and transfer paper is actually 100% recyclable
- Great UPF rating gives the highest protection possible
