

SPORTS APPAREL

C A T A L O G U E

IN THE MAKING FABRIC TECHNOLOGIES

MOISTURE MANAGEMENT

DRYCELL: Technical fabrics wick moisture away from the skin to help keep you dry and comfortable.

RAIN PROTECTION

RAINCELL: Technical material constructions are engineered to help protect against rainy conditions and keep you dry.

THERMAL INSULATION

WARMCELL: Thermal insulation traps heat close to the body to help keep you warm in cool conditions.

EXTREME WEATHER PROTECTION

STORMCELL: Technical, seam sealed material constructions are engineered to help protect against extreme weather conditions and keep you dry and comfortable.

WIND PROTECTION

WINDCELL: Technical material constructions are engineered to help protect against windy conditions and keep you dry and warm.

FOREVER BETTER SUSTAINABILITY

WE ARE FOREVER FASTER. BUT EVERY DAY WE STRIVE TO BE FOREVER BETTER.

As a sportsbrand, we are constantly pushing to be better than we were yesterday. Forever Better is our commitment to reduce our impact on the environment.

BETTER ENVIRONMENTAL PERFORMANCE

Over half of PUMA's environmental impacts occur when main raw materials for our products, such as polyester, cotton and leather, are produced.

To tackle this issue head on, we have set ambitious targets.

Until 2025, 100% of our cotton, polyester, leather and down feathers, as well as paper and cardboard, should come from more sustainable sources.

SUSTAINABLE ROADMAP

At PUMA we are not without ambitions. We have 10 sustainability targets we want to reach by 2025. With these targets in mind, we aim to be better in environmental, health and safety, and human rights within PUMA and within our supply chain, starting our journey towards a more circular business model.

OUR BETTER HEART

The label highlights which products already contain recycled components.

AVAILABLE OPTIONS

FONTS AND EMBELLISHMENT

NUMBERING

Uniform Group team numbers are available in three different sizes [6", 8" or 10" high]. Digits are available in six styles and in one solid block colour or two colour keyline and fill.
